Chief Financial Officer

Andrew Perry is the Chief Financial Officer of Advanced Vehicle Assemblies. As the CFO, Andrew is responsible for leading treasury, capital funding and structure, tax, accounting, financial reporting, along with strategy and planning.

Prior to joining AVA, Andy was the Treasurer of Nexteer Automotive Group Limited. He joined Nexteer when the company was divested from a division of Delphi Corporation into a standalone company and was instrumental in establishing the treasury function of a new company. During his time at Nexteer, he oversaw the company's global capital structure and liquidity as Nexteer grew from less than \$1 billion in sales to \$4 billion.

Additionally, he led the company's public debt offering, supported the IPO, and negotiated local debt facilities in multiple countries. Preceding Nexteer Automotive, Andy held various positions in Delphi Corporation's treasury department and GMAC's borrowing department.

Andrew holds both bachelor's and master's degrees from the University of Michigan-Flint.
